CE PROVIDER COURSE LIST

Provider's Nurse Assistant Certification (NAC) #: 1755

Submit a list of the CNA/HHA courses you will provide during the **next two year period**. Courses topics must be designed to **enhance** knowledge and skills acquired during the basic certification training **and related to the job tasks/skills performed in the health care facility.** A CE hour must be at least one (1) hour in length. **Only Department APPROVED courses can be provided**. Any additional courses must be submitted to the Department for approval prior to implementation. For additional course submission; submit lesson plan, objectives, outline (1 page per CE hour), and course exam.

		Department Use Only
